

Academic Seminar on Wireless Networks

MPI-QMUL Information Systems Research Centre

Time: 3pm-5pm, Monday, 26th Oct. 2015

Venue: Lecture Theatre 3, 1st Floor, Wui Chi Building

Language: English

Geolocation Problems in Mobile Networks

Dr. Yapeng Wang

MPI-QMUL Information Systems Research Centre

Spectrum Sharing in Mobile Networks

Dr. Yue Liu

MPI-QMUL Information Systems Research Centre

Combining CoMP with Semi-smart Antennas to Improve Performance of Cellular Networks

Dr. Xu Yang

Computing Program, Macao Polytechnic Institute

Massive MIMO Antennas for 5G Communications

Dr. Runbo Ma

MPI-QMUL Information Systems Research Centre

All are welcomed.

Organised by

Queen Mary
University of London

澳門理工學院
Instituto Politécnico de Macau
Macao Polytechnic Institute
